

**Workshop - Virtual Care
(Telehealth & Patient Reported Outcomes)
Moderator: Tim Noorthoek, MiHIN**

Theme: Exploring the new paradigm of Healthcare 3.0 and its implications for the ongoing evolution of healthcare delivery, experience, costs, and outcomes. 2020 has been a “perfect storm” across the healthcare continuum. Many of the issues and topics that have been top of mind in healthcare for the last few years will still be pertinent in 2021 but must now be viewed in the context of all that transpired in the previous year.
