

PO's – The Testing Ground

2:00 – 2:45 p.m.

**April Kuehn,
Integrated Health Partners**

April Kuehn has worked in the healthcare industry for over twenty-five years and is Associate Executive Director of Integrated Health Partners (IHP). She has a Master's degree of Public Administration from Western Michigan University and is a certified coder. April is also Lean Healthcare certified.

**Ewa Matuszewski,
MedNetOne**

Ewa Matuszewski is the CEO and co-founder of Rochester, Mich. based Medical Network One (MedNetOne), a health care management/physicians/provider organization offering infrastructure, clinical, and technology services to more than 900 private practice physicians and other independent healthcare providers, including behavioral health specialists. Under her direction, MedNetOne is a leader in advancing the development and implementation of the Patient-Centered Medical Home (PCMH) and other advanced primary care initiatives involving physicians and their practice teams.

**Shay Raleigh,
Great Lakes Physicians Organization**

Shay Raleigh is the Executive Director of Great Lakes Physicians Organization, PC (GLPO) located in Central Michigan. He earned his undergraduate degree in Human Biology and Masters of Public Health both from Michigan State University. GLPO is an independent physician organization that strives to meet the quadruple aim of enhancing patient experience, improving population health, reducing costs, and improving the work life of health care providers, including clinicians and staff.

**Debra Roberts,
Huron Valley Physicians Association (HVPA)**

Debra Roberts is the Executive Director of HVPA which is based in Ann Arbor, Michigan. She is the one of founding principals of HF Software Solutions, Inc. (HFSS) and serves as its VP of Operations. Debra has worked in healthcare for over 30 years in various capacities and environments such as health systems, primary care, consulting and for large multi-specialty practices. During her tenure in the industry, she has supported the start-up of over ten independent medical practices from the ground up. One of her largest achievements was the execution and management of a seven-doctor Internal Medicine practice with two office locations and supervision of over 33 employees.
