

First Steps[®] ACP Facilitator Certification

Training Date: September 26th, 2022

Respecting Choices[®] First Steps[®] Advance Care Plan (ACP) Facilitator Certification is designed for professionals such as social workers, nurses, clergy, physicians, and others involved in assisting individuals making end-of-life treatment decisions.

Purpose: To improve the effectiveness of the First Steps[®] ACP Facilitator Certification program through facilitation skills training.

Course Objectives

1. Identify interview skills for facilitating First Steps advance care planning (ACP) conversations
2. Identify interview skills for facilitating First Steps ACP conversations with adults with chronic illness
3. Create strategies to communicate the plan, including the completion of an advance directive document
4. Examine the ACP Facilitator's role in implementing three key systems for ACP effectiveness
5. Demonstrate beginning competency in facilitating First Steps ACP conversations through role-play activities

Prerequisites

1. Completion of the First Steps ACP Facilitator Online Core Modules 1-4. You will not be allowed to sit for the class if you have not completed the online modules in advance!
2. Attempt an ACP conversation with a loved one or close friend
3. Complete a "practice" Advance Directive (AD) document (both the AD and the Treatment Preferences documents) <https://mihin.org/advance-care-planning-resources/>

The online component includes interactive courses intended to help you learn basic ACP concepts, allowing you to come to the course prepared for a more robust classroom experience. Contact hours for the online prerequisite are available through Respecting Choices.
