The following communication was prepared as part of our audit, has consequential limitations, and is intended solely for the information and use of those charged with governance (e.g., Board of Directors and Audit Committee) and, if appropriate, management of the Company and is not intended and should not be used by anyone other than these specified parties.

# Welcome

February 7, 2022

Board of Directors  
Michigan Health Information Network Shared Services and Subsidiaries

Professional standards require us to communicate with you regarding matters related to the audit, that are, in our professional judgment, significant and relevant to your responsibilities in overseeing the financial reporting process. On December 10, 2021 we presented an overview of our plan for the audit of the consolidated financial statements including the schedule of expenditures of federal awards of Michigan Health Information Network Shared Services and Subsidiaries (“MiHIN” or the “Organization”) as of and for the year ended September 30, 2021, including a summary of our overall objectives for the audit, and the nature, scope, and timing of the planned audit work.

This communication is intended to elaborate on the significant findings from our audit, including our views on the qualitative aspects of the Organization’s accounting practices and policies, management’s judgments and estimates, financial statement disclosures, and other required matters.

We are pleased to be of service to the Organization and look forward to meeting with you to discuss our audit findings, as well as other matters that may be of interest to you, and to answer any questions you might have.

Respectfully,

*BDO USA, LLP*

# Executive Summary

# Status of Our Audit

We have completed our audit of the consolidated financial statements as of and for the year ended September 30, 2021. Our audit was conducted in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*. This audit of the financial statements does not relieve management or those charged with governance of their responsibilities.

- ▶ The objective of our audit was to obtain reasonable - not absolute - assurance about whether the consolidated financial statements are free from material misstatements.
- ▶ The scope of the work performed was substantially the same as that described to you in our earlier Audit Planning communications.
- ▶ We have issued an unmodified opinion on the consolidated financial statements and released our report on January 28, 2022.
- ▶ We have issued an unmodified opinion on the Organization's Single Audit report, including the Schedule of Expenditures of Federal Awards (SEFA).
- ▶ In planning and performing our audit of the SEFA, we considered the Organization's internal control over compliance with requirements that could have a direct and material effect on its major federal program(s) to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with GAS and Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance.
- ▶ Our responsibility for other information in documents containing the Organization's audited consolidated financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform procedures to corroborate such other information. However, in accordance with professional standards, we will read the information included by the Organization and consider whether such information, or the manner of its presentation, is materially inconsistent with its presentation in the financial statements. Our responsibility also includes calling to management's attention any information that we believe is a material misstatement of fact. We have not identified any material inconsistencies or concluded there are any material misstatements of facts in the other information that management has chosen not to correct.
- ▶ All records and information requested by BDO were freely available for our inspection.
- ▶ Management's cooperation was excellent. We received full access to all information that we requested while performing our audit, and we acknowledge the full cooperation extended to us by all levels of Organization personnel throughout the course of our work.

# Results of the Audit

## ACCOUNTING PRACTICES, POLICIES AND ESTIMATES

The following summarizes the more significant required communications related to our audit concerning the Organization's accounting practices, policies and estimates:

The Organization's significant accounting practices and policies are those included in Note 1 to the financial statements. These accounting practices and policies are appropriate, comply with generally accepted accounting principles and industry practice, were consistently applied, and are adequately described within Note 1 to the financial statements.

- ▶ A summary of recently issued accounting pronouncements is included in Note 1 to the Company's financial statements.
- ▶ The Organization adopted ASC Topic 606, *Revenue from Contracts with Customers* during the year ended September 30, 2021. There were no other changes in significant accounting policies and practices during the year ended September 30, 2021.

Significant estimates are those that require management's most difficult, subjective, or complex judgments, often as a result of the need to make estimates about the effects of matters that are inherently uncertain. The Organization's significant accounting estimates, including a description of management's processes and significant assumptions used in development of the estimates, are disclosed in Note 1 of the financial statements.

### Significant Accounting Estimates

---

Reserve for agency accounts receivable

---

Reserve for other accounts receivable

---

Expense allocations

---

- ▶ Management did not make any significant changes to the processes or significant assumptions used to develop the significant accounting estimates in fiscal year 2021.

# Results of the Audit

## QUALITATIVE ASPECTS OF THE COMPANY'S FINANCIAL REPORTING

A discussion was held regarding the quality of the Organization's financial reporting, which included:

# Results of the Audit

## CORRECTED AND UNCORRECTED MISSTATEMENTS

There were no corrected misstatements, other than those that were clearly trivial, related to accounts and/or disclosures that we brought to the attention of management.

There were no uncorrected misstatements, other than those that were clearly trivial, related to accounts and/or disclosures that we presented to management.

# Internal Control Over Financial Reporting

# Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

Our consideration of internal control was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses.

We are required to communicate, in writing, to those charged with governance all material weaknesses and significant deficiencies that have been identified in the Organization's internal control over financial reporting. The definitions of control deficiency, significant deficiency and material weakness follow:

Category	Definition
Control Deficiency	A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis.
Significant Deficiency	A deficiency or combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.
Material Weakness	A deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented or detected and corrected on a timely basis.

In conjunction with our audit of the financial statements, we noted no material weaknesses.

# Additional Required Communications

# Other Required Communications

Following is a summary of other required items, along with specific discussion points as they pertain to the Organization:

Requirement	Discussion Point
Significant changes to planned audit strategy or significant risks initially identified	There were no significant changes to the planned audit strategy or significant risks initially identified and previously communicated to those charged with governance as part of our Audit Planning communications.
Obtain information from those charged with governance relevant to the audit	There were no matters noted relevant to the audit, including, but not limited to: violations or possible violations of laws or regulations; risk of material misstatements, including fraud risks; or tips or complaints regarding the Organization's financial reporting that we were made aware of as a result of our inquiry of those charged with governance.
Nature and extent of specialized skills or knowledge needed related to significant risks	There were no specialized skills or knowledge needed, outside of the core engagement team, to perform the planned audit procedures or evaluate audit results related to significant risks.
Consultations with other accountants	We are not aware of any consultations about accounting or auditing matters between management and other independent public accountants. Nor are we aware of opinions obtained by management from other independent public accountants on the application of generally accepted accounting principles.
Significant findings and issues arising during the audit in connection with the Organization's related parties	We have evaluated whether the identified related party relationships and transactions have been appropriately identified, accounted for, and disclosed and whether the effects of the related party relationships and transactions, based on the audit evidence obtained, prevent the financial statements from achieving fair presentation.
Disagreements with management	There were no disagreements with management about matters, whether or not satisfactorily resolved, that individually or in aggregate could be significant to the Organization's financial statements or to our auditor's report.
Significant difficulties encountered during the audit	There were no significant difficulties encountered during the audit.
Disagreements with management	There were no disagreements with management about matters, whether or not satisfactorily resolved, that individually or in aggregate could be significant to the Organization's financial statements or to our auditor's report.
Significant difficulties encountered during the audit	There were no significant difficulties encountered during the audit.

# Independence

Our engagement letter to you dated October 12, 2021 describes our responsibilities in accordance with professional standards and certain regulatory authorities and *Government Auditing Standards* with regard to independence and the performance of our services. This letter also stipulates the responsibilities of the Organization with respect to independence as agreed to by the Organization. Please refer to that letter for further information.
